ZERO DOLLARS

Thanks to 2020-2022 Board Members

Japan Club Board Members between 2020 and 2022

A lot has happened since Spring 2020. The pandemic hit right after the Japan Club's New Year Celebration event in Spring 2020, causing the club to go on hiatus for several months. Eventually, the club began exploring different virtual platforms to resume its activities and successfully established a solid virtual membership on Discord. In Spring 2023, we were finally able to start

fully in-person club experiences, but this wouldn't have been possible without the dedication and leadership of the student leaders who served in the Japan Club between 2020 and 2022. We truly thank you for your time and commitment during your tenures in the Japan Club.
