

Field trip to

みつわマーケット

Date/Time : Monday October 8, 2012 (11am-)

Mitsuwa marketplace offers many aspects of Japanese cultures. From grocery, dairy products, sweets, beverages to asian cuisines at food court, you will enjoy what we have to offer you. There are also Japanese and Asian related specialty stores around the market, and you are sure to be pleased by a breathtaking view of the Hudson River and Manhattan from the food court.

Mitsuwa is a very large supermarket surrounded by various small stores. Next to Mitsuwa are a Japanese bookstore, Japanese cosmetic store, Japanese travel agency and more.

買

Various seasonal Japanese events are organized at Mitsuwa. During the winter, a giant blue fin tuna cut performance, (Japanese) Christmas sales, mochi pounding, and an Osechi items fair are scheduled.

食

楽

Another attraction of Mitsuwa is food. There is a large food court where you can enjoy authentic Japanese food for less than \$10. Special food events are sometimes held and professional chefs from Japan serve their food to the customers.
