Katsura Sunshine is going to make his first tour in Canada and the U.S. in 2013. LaGuardia Community College is pleased to host his performance in New York City on Monday, September 30, 2013.

Katsura Sunshine (URL: <http://sunshineinenglish.wordpress.com>) is a non-Japanese professional *rakugo-ka* (storyteller) who has endured a strict and highly traditional apprenticeship to a well-known Rakugo Master Katsura Bunshi VI. While his performance remains in the traditional style of kneeling on a cushion in a simple kimono with only a Japanese fan and hand towel for props, Sunshine's witty stories fill the linguistic and cultural distances between Japan and the U.S.

Admission to this event will be free of charge to the general public on a first come first served basis. This performance is delivered in English.
